**Giving at all levels had a major impact on NEC's success during the 2003 – 2004 school year.**

Increased income from annual giving is due in large part to a great increase in the number of individual donors. NEC welcomed 224 new donors who made Annual Fund gifts in 2003 – 2004. Many of these new donors are alumni, parents, and friends of NEC who appreciate the value NEC brings to their community. In addition, 205 donors have demonstrated their commitment to NEC with 10 years or more of giving to the Conservatory.

Many thanks to all who continue to show their loyalty to NEC each year in whatever way possible.

## Century Club Donors

The devotion of the individuals who compose the NEC Century Club is exemplary. Their gifts keep NEC among the top-ranked schools in the world.
