Room for Rent

Contact: Keats
Address: Washington Square, Brookline (green line)
Phone: 646-342-0670
Email: gkdbach@gmail.com
Price: \$490/month
Available: January 1, 2007

Details: We have a great bedroom available Jan 1st in 3-bedroom apartment. The room is the smallest of the 3, but the price reflects this, and heat and hot water are included in the rent. The apartment is very charming with exposed brick walls, an eat-in kitchen, a comfortable living room, and bathroom with a claw foot tub/shower. An off-street parking spot is also available for an extra \$150 a month if you would like. Washington Square is a great location- very safe, residential, with fun places to eat, drink, etc. The rent is extremely low compared with other apartments in the area. Our apartment is a 4-5 min walk to the Tappan St. stop on the C-line- the commute to NEC is about 40 minutes. The place would be ideal for someone who wants to live affordably in one of the nicest neighborhoods around but doesn't need to go into NEC for multiple classes every day. Practicing is welcome.

Price: \$565/month (one room available, two other female roommates)

Newly finished kitchen w. dishwasher, large living room. Laundry room in the basement, bicycle storage. Heat and hot water are included; we pay the electric and cable/internet/phone bill separately. The rent is \$565/person; it is a 3 bedroom apartment. The roommates are one NEC Grad student (flutist, that's me) who is finishing up her Masters. The other roommate is a female teacher, she is barely ever home! We are both great girls, and we are looking for a female who is nice, and easy to get along with. We are both laid back so long as we are all participating in the upkeep of the apartment; we share responsibilities for cleaning and such, so everything is fair.
