### Roommate Finder for 2008-2009 Academic Year

*Updated on Tuesday, May 06, 2008*

**Name:** Anita Chandavarkar  
**Email:** [achandav@gmail.com](mailto:achandav@gmail.com)  
**Phone:** (408) 529-3579

*Instrument:* Flute

*Year:* G1

*Specifications:* I myself am a pretty neat person. Although my hours are flexible, I usually sleep around midnight and wake up at around 7:30 or 8 a.m. I don't have to practice in my room, but if I were given the opportunity I might do so (as long as others don't mind). I have a pretty friendly, outgoing personality and love hanging out and talking about random stuff. I am also a NON-SMOKER, and would prefer to have non-smoking roommates as well.

But in general I'd just like roommates who are friendly and considerate.

I'd be more than willing to share a room, but it'd be cool to have my own as well (price dependent).

**Name:** Michelle Manning  
**Email:** [michelleannmanning@gmail.com](mailto:michelleannmanning@gmail.com)  
**Phone:** (727) 744-7130

*Instrument:* Voice (mezzo-soprano)

*Year:* G1

*Specifications:* I am nice and considerate and am looking for roommates and an apartment. I am a non-smoker and would prefer for my roommates to also be non-smokers. I'm looking for roommates who are laid back, love to laugh, and are considerate of those around them. I love coffee, working out, reading, talking with people, jazz clubs, salsa, and I also enjoy time alone.

**Name:** Anna Maria Dodd  
**Email:** [annamariedodd@gmail.com](mailto:annamariedodd@gmail.com)  
**Phone:** (770)789-6211

*Instrument:* Horn

*Year:* G1

*Specifications:* I am looking for a roommate (or roommates) who are easy to get along with, clean, non-smokers, and wouldn't mind living with a cat. I don't mind people practicing at home, as I sometimes do myself. I am looking to spend \$600-800/month. Location is flexible, as long as it is close to a T stop. I am not picky about the hours my roommates keep, as long as nighttime hours are fairly quiet. I would prefer female roommates, but can be flexible on that as well.

As for me, I am an easy-going, neat, and social person. I really love baseball, cooking, and reading.

If you would like to talk about looking for a place together, just shoot me an email or you can try to "facebook" me (Anna Dodd, Juilliard network).
